VICTORVILLE

April 12, 2020

Shal'm - and for those who commemorate the Moedim according to this week, Blessed Yom Ha Bikkurim-Feast of First Fruits.

Yashah Ben Y'shua Ha Shaleakh, To the Elders of Yisrael, and all the Saints of YAH who are within our sphere of influence, In the Name of YAHUWAH Our Father, and Y'shua Ha Mashiach Ha Melekh-Cohane, Our Redeemer, Greetings.

Beloved brethren, in this post-racialized season of our deliverance, as we soberly reassess our America = Babylon equation, we must consider the fact that the two key national players on the world stage, and the two leading global economic powers at this time, are the U.S.A. and China.

It's becoming increasingly clear that the deep-state forces behind the COVID-19 virus were successful in using China as the staging ground and launching pad for this latest bio-weapon attack on the righteous. And clearly, the Bill Gates-sponsored so-called "World Health Organization," (WHO) - worked in cooperation and collusion with Beijing to perpetrate this heinous attack. Thus far, we see that China at some level is staunchly pro-WHO, while President Trump is not (despite the presence of at least two remaining key figures from the Gates minions operating temporarily in the Trump Administration for optics sake.)

Brethren, why is China rather than the U.S., which remains the number one economic and geopolitical power in the world, the seat of this man-made "planned-demic?" Why not the U.S., since she is also allegedly "The Great Satan," and the very seat of the "Beast System?" The truth is very simple, Zaqanim, and yet profoundly misinnerstood, and largely overlooked by the vast majority of our countrymen, along with those many among the just men from among the nations who embrace the Elohim of Abraham, Yitzhaq and Ya'aqob.

As you know, the Chinese government was founded on the Marxist-"Communist" manifesto, which supposes that the *State itself* is where its citizens derive personal power, since all things are rightfully "owned" and controlled by the State. On the other hand, the United States was founded not as a *Democracy*, (as in the Democrat Party,) but as a Constitutional *Republic*. As the Pledge of Allegiance states, "...and to the *Republic*, for which it (the flag) stands.." That is to say, in America, the potential for democratic "mob rule" is neutralized, in that the power of man derives not from an earthly power, but from his *Creator*; that is, from a power *greater* than the State.

And thus, ones personal power, i.e. liberty, is *inalienable*, meaning said power is "...unable to be taken away from or given away by the possessor." Indeed.

The real truth of this matter is, the deep state globalist cabal which is attempting to establish a “New World Order” simply cannot do so, *as long as the principle of personal freedom of America, derived directly from Almighty YAHUWAH - however challenged and compromised - remains in place.* Selah. *This* is in fact the real reason America has remained in the crosshairs of the now neutered House of Saud, along with Rothschild, Soros, WHO, Gates, Obama, Clinton, et al.

The only real question remaining is, are there true followers of YAHUWAH within these world governments who *want out* of this satanic madness?

Without question, the forces of good, i.e. the Army of The Most High, at every level of society, including within the ranks of world governments and big business - *including within America* - have risen up in resolute opposition to these insane, blood drinking, child sacrificing worshippers of Lucifer. And the amazing truth is, the seemingly invincible hidden globalist forces are being systematically dismantled right before our eyes.

Very soon, brethren, *The Eternal Government of the Kingdom Commonwealth of Yisrael* will emerge, founded upon a third and final Governmental principle, upon which all of mankind will adhere and be Divinely Blessed, both now and forever. For beyond Communism, and Capitalism, is *Stewardism*; the Everlasting Divine Principle which declares for the ages, that all things are in truth owned by the Almighty YAHUWAH, The Self-Existent One, and that we as His sons are the faithful stewards and inheritors of that which ultimately and eternally belongs to HIM.

Let he among us who has an ear, hear what the Spirit is saying to the Greater Commonwealth of Yisrael. YAH Khai v’HalleluYAH!

IT’S KINGDOM TIME.
