THE TRUMP-COSBY CONNECTION

Prophetic Update:

In the Name of YAHUWAH our Father, and Messiah Y'shua our Redeemer, Shabbat Shal'm.

Brethren, for many years now, I have searched the scriptures for understanding on how the end-time servant of Y'shua will be revealed, and how the world will come to know the true identity of the so-called "black man" in America. At the time of the election in November of 2016, I realized these prophecies will be fulfilled in connection to President Trump. But when and how the servant will be brought to the President's attention remained unclear...

The ancient examples of Dahniel interpreting Nebuchadnezzar's dream in Babylon, and Yosef doing the same for Pharaoh in Egypt, hold key clues; with a prophet and a king in both captivities connecting through an intermediary, and with both events foreshadowing the end-time servant, and national ruler, during the final captivity of Yisrael.

From the start, it seemed doubtful that the end-time servant would interpret a *personal* dream of President Trump. But still, no further revelation was given. But on this day, July 9, 2021, it became clear to me that the President of the United States holding the office at the time of the end, *will* need a prophetic interpretation - but of the 'American Dream.' Selah.

Considering the divine revelations already received on the fulfillment of "...a more perfect union," it seems likely that the servant of Messiah Y'shua is in fact assigned to reveal the divine mystery of the 'American Dream' to the President of the United States, as a confirmation of the servant's identity as the Branch of Dawid. And to officially reclaim the stolen legacy of the so-called "African American" people; and to equip America at large, to fulfill the Biblically-inspired national goal set by her founding fathers.

As of this day, I have also been granted insight into how Elder Bill Cosby could serve as the end-time intermediary of this final captivity, being Hebrew Yisraelite-aware, and long-time

acquaintances of both the President and the servant...

Now concerning the current relationship between Elder Bill and President Trump, I was amazed to discover that whatever photos were taken of the two men together over the years are nowhere to be found online. This is very revealing in and of itself, considering the fact that pictures of Donald Trump posing with virtually every major public figure over the past several decades are readily available. Obviously, this "media blackout" is no "coincidence," but had to have been by design...

But why? Why a total media blackout on their relationship, except for several personal attacks on Bill from President Trump?

Could it be that all along, Bill Cosby has been a member of the hidden team of "white hats," in the private sector and the U.S. military, connected to Donald Trump? Could Bill's historical dealings with the "Hollywood elite"- Jesse Jackson, the Clintons, the Obamas, Oprah Winfrey, etc. - represent "optics," in an overall master plan to save America? Considering how Bill has "stepped on the toes" of the Dims and RINO's with his bold and unpopular speeches on personal responsibility for our people, it surely seems that way...

It appears that the absence of photos of the two men together, along with the President's public "slamming" of Bill, could very well be part of a disinformation strategy employed by the patriots to neutralize the 'Dims,' RINO's, and MSM. This is clearly the case for example, with Trump's former Attorneys General, Jeff Sessions and William Barr; so that the President cannot be accused of misusing his chief legal counsel in government for personal political gain.

At this point brethren, it seems most likely that Elder Bill Cosby has been chosen of Abba YAH to connect the end-time servant of Y'shua to President Trump at the appointed time; and for the servant to provide the prophetic revelation needed, to fulfill the "American dream," and the MLK dream - "...deeply rooted in the American dream." And to unveil the YAH-ordained destiny of America, as the primary nation on earth under the House of Dawid, other than Yisrael herself, in the eternal united Kingdom Commonwealth. Selah.
