

# *A ROYAL PROCLAMATION*

**To the Universal Commonwealth of Yisrael and the Nations of the World**

Yom Teru'ah - September 9, 2018

## **THE KINGDOM OF YISRAEL COMMUNITY LAND TRUST**

*The* Kingdom of Yisrael Community Land Trust (KYCL) shall serve the Kingdom of Yisrael by acquiring and developing land and structures for the Saints, and managing these community-held assets under a YAH-owned, Kingdom-operated Community Land Trust in perpetuity.

*K*YCL shall retain and preserve the YAH-ownership of Kingdom properties under a Divine, Torah-centered management and stewardship strategy, that ensures all Kingdom government, housing and business properties will remain wholly consecrated, and fully accessible to all.

*K*YCL shall promote community-driven decision making, with tripartite leadership, projected to consist of the Ministries of Housing, Commerce and the Interior; with said Ministers and their families being residents of the Kingdom community.

*K*YCL shall exercise the delegated authority, to assign available land and building rights to its citizens; and to manage, and maintain, all vacant structures and property.

If for whatever reason, a Kingdom citizen should choose to leave the community, or is banished for unrepentant refusal to obey Torah law, KYCL shall retain the right to re-assign the vacant property(s) to available, pre-qualified Kingdom citizens in good standing. KYCL shall retain all vacant properties in the interim. The existing cost of the land shall forever be retained within the trust on behalf of its owner, Almighty YAH.

Not surprisingly, the community land trust concept was originally conceived by “African-American” farmers in the U.S., seeking to protect “black” assets in the Jim Crow South. In addition, in recent years, the ‘CLT’ model has become a strategy utilized in urban communities to help maintain “affordable” housing.

---

*The Kingdom of Yisrael Community Land Trust is a ‘cooperative economy’ representing a restored divine Kingdom operating system based on the Torah-centered principals of justice, stewardship and brotherhood.*
