

THE ORDER OF STUDY

Yashah, a servant and shaleakh of YAHUWAH our Father, and Y'shua The Master, to the twelve tribes scattered abroad, Greetings.

The studies provided by the Church-Sanhedrin at Victorville are designed for all men everywhere who are seekers of truth and desire greater insight into the word of YAH through personal research; but particularly for elders, and those called to full-time Government Ministry.

Nevertheless, we do find it needful to point out that contrary to popular belief, the real burden of studying "...to show yourself approved, a workman unto YAH...", does not rest upon the shoulders of Hebrew Yisraelites at large, but must be borne by the ministry officers of Mashiach.

A closer scrutiny of the passage from which such great error is drawn (2 Tim. 2:15), reveals that in proper context, it was directed to Timothy, a young evangelist under Paul, to help equip him to meet the challenges of apostolic, prophetic and priestly ministry.

After all, which of you being in legal difficulty and in need of counsel, would turn to a man who only *moonlights* as an attorney? And it's rightfully said that a man who serves as his own lawyer has a fool for a client! How much more then must we look to those in full-time ministry when our very souls are at stake!

We of the faithful remnant YAH in Mashiach must come to recognize this truth: that just as it takes a full-time commitment to master the disciplines of this world, it takes a full-time commitment and more, to master the word of the Most High.

For this cause, He has designated anointed ministry offices to guide the nation. Therefore, we declare unto you, Hebrew brethren at large, by the authority of the apostolic and prophetic mantles that rest upon this ministry: be loosed from the burden of duty for mastering the word of truth on your own time!

But having declared that basic truth, we do urge you to take full advantage of the wealth of knowledge readily available in this technological age, and to prove ALL things by the Holy manuscripts.

The Church at Victorville offers a set of foundational teachings designed to establish Yisrael in Mashiach, as well as advanced revelation to equip the nation for reaching and teaching the lost sheep of Yisrael, and to serve effectively as kings and priests unto the Gentiles.

Through our written study guides, epistles, live online School of Government, and videos, our universal Church-Sanhedrin labors faithfully to edify the body of Mashiach and undergird the emerging Yisraelite nation.

Again, if your primary station in Mashiach is not in ministry office, we urge you in Mashiach, never to study at the expense of your office as husband, father, businessman or worker. We do

hope and trust that the resources offered in TCVI will be of valuable assistance to you in that endeavor.

May the Grace, Mercy and Peace of YAH our Father be with you. Ahmein.
